United Community Bank Donates Funds for the Osceola Outdoor Aquatic Center

UNITED COMMUNITY BANK

United Community Bank recently donated \$5,000 to the Osceola Outdoor Aquatic Center Fund Raising Campaign for renovation of the only public swimming pool/outdoor aquatic center in Osceola County, located in Sibley. The current pool liner will be replaced and the locker rooms will be renovated and made handicap accessible. The aquatic center will feature new water slides, lily pads, lap swimming lanes and zero depth areas for young children. In addition, a new splash pad will be added and will be available even when the pool is closed. Last summer, 11,000 swimmers were in attendance at the current facility for both recreation and swimming lessons.

- *United Community Bank is a locally owned commercial bank serving the needs of its communities, businesses and citizens with a full range of traditional and innovative financial services, while delivering the highest level of customer service available.
